Head Coach Vacancy 2022

To be responsible for delivering a co-ordinated programme of activity and to provide quality coaching in a safe, friendly and professional environment for participants. There will be a specific long term focus on the development of young cricketers, with a view of putting a 2/3 year plan together. We currently have a very talented group of young players, that with the guidance of a motivated coach and professional, we can see flourish over the coming seasons.

Key Roles & Responsibilities:

- Responsible for the organising and the conducting of Senior & junior Pre-Season Training in consultation with the Club Captain, junior coordinator and coaches.
- Responsible for the organising and the conducting of Senior In-Season Training in consultation with the Club Captain & club professional (one night per week).
- Responsible for the organising and the conducting of Junior In-Season Training in consultation with the junior coordinator & club professional (one night per week).
- Ensure Training is of a high standard that both provides quality outcomes for players as well as methods that are in line with the Club's values and ethics, and provides an enjoyable environment for players to participate in.
- Implement, update and communicate weekly/fortnightly/monthly training plans to ensure that the Club Captain, professional and coaches can assist in the implementation and overall running of the Training Plan.
- Ensure that training is organised, well planned and expectations are clearly communicated to players.
- Attend a senior game at the weekend and give any necessary feedback
- Be part of the Cricket action group. Reporting any cricket related topics and actions back to the committee on a regular basis throughout the season.
- Provide a report at the end of the season highlighting progression made, recommendations, and plans for the following season.

Skills required:

- Excellent organisation and planning skills
- Strong verbal and written communication skills
- Be approachable and flexible
- Minimum Level 3 Coaching Accreditation
- Can demonstrate previous coaching experience
- The individual has long term vision of the role. Ideally this is the beginning of something that can be built on, and expanded.
